

Paris, January 1st, 2006.

We are pleased to announce the First Gospel Convention ever held in France on April 15, 16 2006, at the Espace Saint-Martin, in Paris. As such an event did not exist before, we've created it!

The Gospel onvention will be held in Paris on a regular basis as The meeting point for everyone to whom Gospel Music matters and for everyone who matters in Gospel Music in France, amateurs as well as professionals.

## **Press Release**

Our goal is to have Gospel professionals (groups, churches, book-stores, choirs, artists, producers, festival directors, venues owners), gathered in one place for a week-end of active networking with visitors.

Do not hesitate to contact our team should you need additional information about the Convention.
